

In-house training

Individual - practically oriented

REDcert in-house training 2023

With its in-house training courses, REDcert offers you the opportunity to explicitly tailor the topics covered to your company's needs and processes. The in-house training courses are held at your company or as webinars. This saves time, most importantly, but also travel expenses for your employees.

Your advantages:

- ➔ Several employees trained simultaneously
- ➔ No time lost due to travel
- ➔ The main topics covered are individually tailored to your company

Target group:

- ➔ Employees with responsibility for this area
- ➔ New employees
- ➔ Employees who want to refresh their knowledge in this area
- ➔ All REDcert companies

Dates:

The dates will be coordinated with you individually.

Location:

On-site at your company or as a webinar

Fee:

Seminar up to 3 hours - webinar

For companies participating in the REDcert scheme: **€ 550.00 plus VAT.**
