

REDcert² - biomass-balanced products for the chemical industry

Auditor training

Training

Content:

Day 1 (9:30 am - 12:30 pm)

Insight into REDcert-EU scheme

Day 1 (1:30 pm -5:00 pm)

- Definitions
- Requirements for base formulations and certified products
- Communication and claims
- Balancing period and account management system

Day 2 (9:00 am - 4:00 pm)

- Calculating biomass balance equivalents
- Handling literature data, inorganic and biogenic substances as well as co-products
- Requirements for downstream companies
- **Test**

*After the auditor training, a **test** is given to see if participants understood the content. If the test is passed successfully, a training certificate is issued. The test takes place on Day 2 from 3:30 pm to 4 pm.*

Target group:

The auditor training is modular.

Inspectors who are not yet trained and approved for the REDcert-EU scheme must first attend a half-day REDcert-EU basic training course before they can be trained under the REDcert² scheme in the application of biomass-balanced products in the chemical industry.

This basic training is held on Day 1 in the morning from 9:30 am to 12:30 pm.

The 1½-day mandatory auditor training course is geared toward inspectors who want to perform auditing activities under the REDcert² scheme in the application of biomass-balanced products in the chemical industry.

This mandatory auditor training course "REDcert² - biomass-balanced products for the chemical industry" is held after the basic training course.

Dates:

Please refer to the registration form. The training is offered in German and English.

Speakers:

Iris Waikinat, **REDcert GmbH**
Javier Castro, **TÜV SÜD GmbH**

Participant number:

Maximum 10 people per training

Location:

REDcert GmbH, Schwertberger Str. 16, D-53177 Bonn

Fee:

€1,850.00 plus VAT p.p. for the auditor training "REDcert² - biomass-balanced products for the chemical industry" (incl. beverages and lunch)

€1,950.00 plus VAT p.p. for the basic training "REDcert-EU" and auditor training "REDcert² - biomass-balanced products for the chemical industry" (incl. beverages and lunch)

Cancellation: It is possible to cancel free of charge up to 10 days before the start of the seminar. After this, we charge a fee of €100.00 plus VAT. Participation is transferable.
